# A WORD FROM THE CHAIR

Monthly / Annual reports are widely used by companies for documenting projects, cash flow and finances, employee performance, marketing strategies, social media strategies, and a lot more.

Reports provide detailed descriptions of a company's progress whether it's just for a particular month or the entire year.

Aside from texts, reports are best filled with charts, graphs and tables to present accompanying numerical data in a clear and easy-to-read manner. Create stunning reports by identifying the pertinent information you want to share with your colleagues. Begin your presentation with a cover page that briefly introduces what the report is all about.
